Hello Hornet Community,

The Athletic Department is excited to announce that we are now offering the convenience of online registration for athletics through FamilyID ([www.familyid.com](http://www.familyid.com)). FamilyID, is a secure registration platform that provides you with easy access, and with a user-friendly way to sign school sport policies, such as handbook agreements, media releases, acceptable use policies, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system will keep track of your information in your FamilyID profile. You enter your information once for each family member for multiple uses and multiple programs.
